Partnership

Meeting each other in our mutual interest

Finding engagements/activations that add up to more than the sum of its parts

ACEP's Mission

To promote the highest quality of emergency care and serve as the leading advocate for emergency physicians, their patients, and the public.

What does that

mean to you?

Today's goal

Identify barriers and opportunities for innovation and agility in how we serve this mission **TOGETHER.**

TOGETHER,
WE WILL:

- EXPLORE
- SHARE
- BUILD
- REFLECT

Mindset

Have empathy

Collaborate

Experiment

Have fun!

HOW?

Choose one photo that represent your desired innovative future that we can build together.

Write on a post-it what your photo means.

2 min.

Share your
photo and
the desired
future.

5 min.

Choose one photo that represent barriers and challenges to get to the desired future.

Write on a post-it what your photo means.

2 min.

Share your photo and the barriers and challenges that we may face.

5 min.

Choose one photo that represent opportunities that we can create together.

Write on a post-it what your photo means.

2 min.

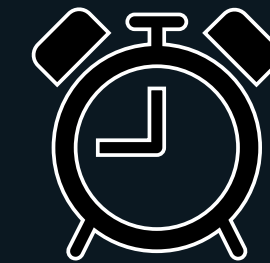

Share your
photo and the
opportunities
that you
identified.

5 min.

“...the world offers itself to your imagination.”

Combine your opportunities and build on each other's ideas!

10 min.

I wonder...

Yes, and!

Desired Futures.
Barriers/challenges.
Opportunities.
