MOC

Maintaining Your ABEM Certification: Review of 2020 Lifelong Learning & Self-Assessment Articles

10/27/2021 | 9:00:00 AM - 9:50:00 AM

Faculty: Luis M. Lovato, MD

This track is designed to help you prepare for ABEM's LLSA test in the Maintenance of Certification (MOC) program. There are 3 one hour sessions: one session will help you navigation through the MOC process & the significant updates that include MyEMCert modules. One session will review the 13 articles in ABEM's "2020 LLSA Reading List." One session will review the 12 articles in ABEM's "2021 LLSA Reading List." The speaker will critique the articles, review the key concepts presented, & review the LLSA test questions pertinent to each article. Please note: The syllabi for these courses consist of the faculty's slides. Because of copyright considerations, reprints of the journal articles on which the courses are based & the LLSA test questions cannot be provided. However, ACEP members have free internet access to the LLSA articles at ACEP's Maintenance of Certification Center at www.acep.org/MOCcenter.

MOC

Maintenance of Certification: How I Learned to Stop Worrying & Love MOC

10/28/2021 | 11:00:00 AM - 11:50:00 AM

Faculty: Terry Kowalenko, MD, FACEP

Confused or anxious about your ABEM Maintenance of Certification (MOC) requirements? Experience calmness and enlightenment as the speaker explains how to successfully meet your MOC requirements depending on what year your certificate expires and understand your requirements for MyEMCert modules, practice improvement activities, LLSA activities and the secure exam.

- Describe the remaining requirements for your own MOC cycle.
- Describe the status of and process for completing the MyEMCert modules, LLSA requirements and the secure exam
- Describe the process for completing the practice improvement activities
- Describe how to obtain CME credit for your MOC activities (currently for LLSA and the secure exam)
